

Park Features Feedback Form – 2011 Parks Plan Consultations

For planning, management and communication purposes, Toronto parks are grouped into categories based on their size, features and the activities they support. A description of park categories is provided on the reverse side.

Please indicate which features are appropriate for local and city-wide parks by fully blacking out Y (yes) or N (no). If you are indifferent or don't know, please leave that section blank.

Correct: Y N

Incorrect: Y N
