

Citizens Concerned About the Future of the Etobicoke Waterfront

Date: January 30, 2014

Subject: New Nature Programs at Colonel Samuel Smith Park,
Spring, 2014, provided by Humber Arboretum

To: all Toronto schools

CCFEW is pleased to announce that we are continuing to support the new Nature Programs being offered at Colonel Samuel Smith Park in south Etobicoke, at Kipling and Lake Shore Blvd. West, in the spring of 2014, provided by the Humber Arboretum. These programs are based on the Ontario Science curriculum, and are led by nature interpreters from the Humber Arboretum in north Etobicoke.

CCFEW is offering to subsidize these nature programs for classes again this spring. CCFEW has just obtained very generous grants from The Gosling Foundation and The McLean Foundation which has enabled us to offer these subsidies- but they may go fast.

For more information, or to register for one of these programs, contact the Humber Arboretum directly at 416-675-5009, or go on their website at www.humberarboretum.on.ca. Look under "Lakeshore School Programs".

Be sure to mention the CCFEW subsidy if you are booking a program.

We hope to see you at Colonel Sam this year!

Sincerely,
Barbara Keaveney
CCFEW Secretary
